Exercise *Talune* 2016

Participant Questionnaire

Name (optional): _____

Agency and Unit: _____

Instructions

The purpose of this questionnaire is to find out what you think about pandemic preparedness in Tasmania and what you thought of the exercise.

This will help us determine pandemic preparedness priorities and evaluate the exercise.

It's optional to provide your name but we'd prefer you to. That way, we can contact you to clarify comments you make.

You may find it useful to start filling in the questionnaire as the exercise progresses. We'll also provide some time at the end of the exercise for you to complete it.

Thank you for participating in the exercise and taking the time to complete this questionnaire.

About pandemic preparedness

1. Do you feel your organisation is reasonably well prepared for a pandemic?

2. What significant pandemic preparedness issues did you identify for your organisation as a result of this discussion exercise?

3. How can those issues be addressed?

4. Do you expect your organisation to undertake a pandemic preparedness/response workshop or exercise in 2016–2017?

5. THAPPI 2016 identifies broad roles and responsibilities across agencies.

a) Are there any roles allocated to your organisation that you don't agree with or that you believe would be difficult for your organisation to take on? If so, which and why?

b) Are there additional roles your organisation could consider taking on, or resources your organisation could provide for a pandemic response or other public health emergency?

c) Do you have any concerns about THAPPI 2016? If so, what?

About the exercise
